### **Fregoso Joins Speedline**

FRANKLIN, MASS – December 13, 2010 – Roberto Fregoso has joined Speedline Technologies as sales manager, based in Jalisco, Mexico. Mr. Fregoso will be responsible for sales and customer support activity in the region for Speedline’s entire portfolio of products and services including Camalot dispensing systems, Electrovert soldering and cleaning systems, MPM printers, and Accel cleaning systems.

Mr. Fregoso has a strong background in both mechanical and electrical engineering. He has held positions in SMT production and engineering with both OEM and contract manufacturers.

According to Scott Koizumi, Speedline’s vice president and general manager, “Roberto’s breadth of experience in manufacturing and engineering will translate directly into value for our customers in this important region. We’re happy to have him on board.”
