| Troubleshooting & Calibrations | TR-MO-TSC | 4.5 Days | \$3,000 |  | 21 - 25 |  |

**For training on the product models listed below, please call for course availability and pricing**

AccuFlex, AP-HiE/Excel, UP2000-HiE/NT, UP3K-UF, SPM

Classes are held from 9 AM to approximately 5 PM each day. Four and a half-day classes end at 12 noon on Friday. Lunch is provided on each full day of class. All travel arrangements and expenses are the sole responsibility of the student. A visitor's guide is available with a list of Speedline discounted hotels. All classes are limited to 6 students per class to maximize and enhance learning and machine hands-on time for each student.

**Cancellation, Withdrawal, Refund Policy:**

Speedline reserves the right to cancel classes up to 2 weeks prior to class start date. In that case, every effort will be made to reschedule the student into another class date, transfer credits or provide a refund.

If the student cancels their registration prior to class start date, the following fee schedule applies:

- 4 weeks prior--Full Refund
- 3 weeks prior--75% Refund
- 2 weeks prior--50% Refund
- 0-7 days prior--No Refund/Forfeit of Credit

**Transfers:**

Registration may be transferred between students within the same company only, and up to 1 business day prior to class start date. Registration may also be transferred to another class and/or date. Changes can be made up to 2 weeks prior to the originally scheduled class start date. Please contact us immediately with any changes.
